**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Don't let AT&T block Sonic and other ISPs from using critical infrastructure that allows Sonic to deliver fiber optic internet service to their customers. I'm a long time Sonic DSL customer who switched from AT&T because of their terrible customer service. Sonic has provided me with wonderful customer service, phone service, and faster internet service at a significantly lower price than AT&T. I'm anxiously awaiting them to roll out fiber service in my neighborhood which may never happen if AT&T gets what they want.
